

## Comprehensive Plan Design Workshop Options and Possibilities

### WALKABILITY/CONNECTIVITY

#### BEST IDEAS

##### INFRASTRUCTURE AND DESIGN

- New and old – Retro fit
- Design – change of roadway alignments?
  - One way streets
  - Widen sidewalks
  - Change stop signs
  - Add amenities for bikers and pedestrians
  - Buffer sidewalk and curb from road (like at new UIW)
- Traffic calming
- New technologies
- Lighting
- Stop sign consistency
- Designated hike/bike routes
- Connections to other municipalities
- Connections to other destinations: Quarry, Sunset Village, Lincoln Heights, McNay
- Paseo/passages into schools, especially AHHS
- Pedestrian bridge over roadways?

##### RECREATION

- Promotion
- Safe environment
- Healthy lifestyle
- Pooper scooper baggies
- Accessibility
- Signage/routing
- Schools and neighborhoods joint use during off hours
  - track, playground, open space w/ UIW, church
- Pedestrian amenities: water fountains, benches
- Trails near pools
- [Interconnected system of trails](#)
- “Crime Prevention through Environmental Design” principals
- Promote known running/walking routes

##### SAFETY

- Awareness – Citizens Advisory Committee
- Campaign with schools/ to schools – web site/ internet
- Culture
- Police presence/ Enforcement/ Bike Police

- Crossing guards at schools
- Citizen reporting system for complaints/ideas

#### MAINTENANCE

- Broken
- Brush
- Line of sight at intersections
- Lights and signage
- Street sweeping
- Existing
