Your Official Source from City Hall

January 2017

BRIEFS

Reminder Tree Preservation Program

- Will begin the week of January 16th and be completed by January 30th
- Maintenance and trimming to be done in "dormant" stage to allow for fuller canopy in Spring
- Trimming is needed to maintain the 13' 6" height access required for emergency apparatus
- City has hired Davey Tree Expert Company
- Visit the City website for "Tree Trim List"
- Contact Diana DeLeon at Davey Tree Expert at 210-698-0515 regarding questions concerning the tree canopy compliance

Follow, Like, Sign-up with "Us". The City of Alamo Heights has several different ways in which we provide information to you - Facebook, Twitter, RAVE Notification System, City Website and of course our monthly newsletter. Sign-up today to be informed!

Police Facebook - www.facebook.com/AlamoHeightsPD

Animal Care Facebook - www.facebook.com/AlamoHeightsAnimalCareServices

City Twitter - twitter.com/cityofah

No More Late Notices

In order to avoid confusion with regular utility bills and late notices, the city will no longer mail out a separate late notice. Your utility bill is due on the **1st of every month** unless the 1st falls on a holiday or weekend then it is due the next business day.

You are also able to view and pay your bill online at www.municipalonlinepayments.com/alamoheightstx or sign up for automatic bank draft. Contact your Utility Billing Coordinator Amanda Borrego at 210-882-1507 to assist you with any questions.

Home Heating Safety Tips

Heating equipment is one of the leading causes of home fire deaths. With a few simple safety tips and precautions you can prevent most heating fires from happening.

- Keep anything that can burn at least three-feet away from heating equipment, like the furnace, fireplace, wood stove, or portable space heater.
- Have a three-foot "kid-free zone" around open fires and space heaters.
- Never use your oven to heat your home.
- Have a qualified professional install stationary space heating equipment, water heaters or central heating equipment according to the local codes and manufacturer's instructions.
- Have heating equipment and chimneys cleaned and inspected every year by a qualified professional.
- Remember to turn portable heaters off when leaving the room or going to bed.
- Make sure the fireplace has a sturdy screen to stop sparks from flying into the room. Ashes should be cool before putting them in a metal container. Test smoke alarms monthly.

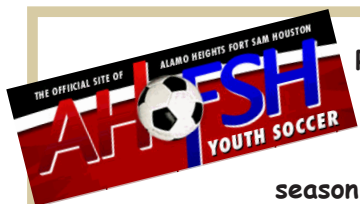

Visit www.alamoheightsfire.com to download the complete safety flyers to help your family stay safe.

City Employees Thank Generous Citizens

The City employees wish to extend their gratitude and appreciation for all the goodies delivered to the City during the holidays. All were greatly enjoyed and appreciated by everyone.

We would like to offer a special thanks to the caring and generous citizens who contributed toward the meals for the on-duty police, fire and dispatch personnel working holiday shifts. Thank you for thinking of us. We are all so appreciative of your generosity and holiday greetings!
