Romeo ready for new home!

Romeo is a very sweet boy who is looking for a family to love and share his love for life with. Romeo was found as a stray in Alamo Heights but his original owner was never found so now he is available for adoption. Romeo is a one and a half year old shepherd mix. He is smart, friendly, and obedient, gets along well with other dogs, cats, and kids of all ages. AH Animal Care Services had him

neutered, vaccinated, heartworm tested and microchipped. He is current on all flea, tick and heartworm preventatives and is ready to go home with his new best friend. To set up a time to meet Romeo or any of our other adoptable pets please contact AH Animal Care Representative, Angie Marzec at 832-2216 or amarzec@alamoheightstx.gov or on our Facebook page at /AlamoHeightsAnimalCareServices.

Back to School Safety Tips - Walking, Bicycle or Riding the Bus

Whether children walk, ride their bicycle or take the bus to school, it is extremely important that they take proper safety precautions. Here are some tips to make sure your child safely travels to school.

When walking to school:

- Walk on the sidewalk, if one is available. When on a street with no sidewalk, walk facing the traffic.
- Before you cross the street, stop and look all ways to see if cars are coming.
- Never dart out in front of a parked car.
- Practice walking to school with your child.

When riding a bicycle to school:

- Make sure your child always wears his helmet when

- leaving the house.
- Teach your children the rules of the road they need to know to ride their bicycles.
- Ride on the right side of the road and in a single file.
- Come to a complete stop before crossing the street.

Riding the bus to school

- Go to the bus stop with your child to teach them the proper way to get on and off the bus.
- Make sure your children stand six feet away from the curb. If your child and you need to cross the street in front of the bus, walk on the side of the road until you are at least 12 feet ahead of the bus.
- You always should be able to see the bus driver, and the bus driver always should be able to see you.
