

**You Could Be a Potential Witness  
to Suspicious Activity by Just Being  
Observant !!!**

While going about your daily routine the convenient notebook can go with you in your pocket, purse, backpack, or vehicle. If you prefer you can have it next to your door or favorite window so your observations of suspicious activity in your neighborhood can be recorded. The successful criminal is not always the one who is not noticed, but more often the one who is noticed and not reported.

# YOU CAN BE AN

The Suspicious Activity Information Neighborhood Team (S.A.I.N.T.) is promoted by the Alamo Heights Police Department to build a stronger partnership with the community toward prevention of criminal activity. We recognize our citizens are the most valuable asset to this program because they would be the first to recognize something is just not right or is out of the ordinary. Participation is simple and only requires citizens to record their observations while participating in their daily activities such as walking, bicycling, working in the yard or driving to the store.

# ALAMO HEIGHTS

## Some Things to Look For:

- Unfamiliar vehicles
- Unknown persons
- Unusual activities
- Unexpected delivery person
- Excessive traffic at a residence
- Doors left open
- The sound of breaking glass

## Where to Get Your Notebook:

- Alamo Heights Police Department
- Alamo Heights Police Officer
- Alamo Heights Communications Office

# S.A.I.N.T.

Pre-printed S.A.I.N.T. notebooks will be provided by Alamo Heights Police Department to anyone interested in participating. The notebook will serve as a guide to gather vital information needed to locate and investigate the concern or serve as a look-out guide for officers on patrol. Once recorded, the information sheet can be dropped off at the Police Department or the information can be relayed directly to the police dispatcher for an immediate response.
