Planning & Zoning Commission Meeting
Monday, January 05, 2026 – 5:30 P.M.

Take notice that a regular Planning & Zoning Commission of the City of Alamo Heights will be held on **Monday, January 05, 2026 at 5:30pm** in the City Council Chamber, located at 6116 Broadway, San Antonio, Texas, 78209, to consider and act upon any lawful subjects which may come before it.

Case No. 457 - Public hearing, consideration, and action regarding a request by Frank B. Burney and Carter F. Scharmen of Martin & Drought, applicants, representing Meredith K. Morrill, owner, as authorized by Section 16-105 of the Code of Ordinances to close, vacate, abandon, and sell a portion of public right-of-way, approximately 1643sq ft (0.0377 acre tract) that adjoins the eastern side of the property identified as **CB 4024, BLK 58, LOT 18 & NW 3FT OF LOT 1**, also known as **213 Allen St**, of the City of Alamo Heights, Texas.

The City Council of the City of Alamo Heights will conduct a public hearing on **Monday, January 12, 2026 at 5:30pm** relating to the recommendations of the Planning and Zoning Commission regarding the same issues.

STATEMENT AND RATIONALE FOR REQUEST

This Statement and Rationale for Request is attached to and made a part of that certain Right of Way Use or Disposition Application submitted to the City of Alamo Heights (the "City") by Martin & Drought, P.C. on behalf of the property owner, Meredith K. Morrill ("Ms. Morrill"), whose property located at 213 Allen St., Alamo Heights, Texas 78209 (the "Property").

The Property is located on the Northwest corner of the intersection of Harrison Ave. and Allen St as shown on the most recent preliminary survey of Ms. Morill's Property dated August 28, 2025 and most recently revised September 17, 2025, prepared by D. Scott Dye, R.P.L.S. No. 5315, on behalf of Dye Enterprises, TBPLS Firm No. 10087900 under Job No. 250043-00 (the "Survey"), attached hereto and incorporated herein for all purposes as **Exhibit A**. According to the plat of this neighborhood dated April 1, 1916, recorded in Volume 368, Page 181 of the Map and Plat Records of Bexar County, Texas (the "Plat"), attached hereto and incorporated herein for all purposes as **Exhibit B**, the right of way for Allen Street is eighty feet (80') wide. However, the actual paved width of Allen Street is only roughly thirty feet (30') wide to twenty feet (20'), which means that roughly thirty-one feet (31') of Ms. Morill's front yard are technically within the City's rights of way on Allen St.

To date, Ms. Morrill has not constructed any improvements within the City's rights of way. However, she most likely will renovate her house located at 213 Allen St. in the future, and she would like to have this boundary issue resolved prior to applying for any necessary permits from the City.

Due to the age of the plat and the width of the pavement shown on the Survey, it is clear that the current plat and the rights of way shown thereon do not reflect the current reality of the neighborhood. Moreover, Allen Street is now a dead end with no outlet for through traffic, which is not shown on the Plat; and at least one other property owner along Allen Street has already obtained similar dispositions of the City's right of way.
