### Provide a Forever Home...

Alamo Heights Animal Care Services (AHACS) cares for animals who are unable to be reunited with their original families and seek homes under our adoption program. Meet Moxie, Rascal, and Duke. They are just a few loveable pets currently available for adoption. Our unique adoption process allows you to acquaint with that special dog or cat in your home before committing as a pet owner.

If your family is considering fostering, adopting a pet or if you'd like to support the AHACS program with a financial contribution, supply donations or by volunteering, please contact Animal Care Representative Angie Marzec. Donations can also be made to our life saving program during the Big Give on March 26th. This is a day when all of San Antonio is encouraged to get together to celebrate and support the amazing work being done by so many organizations in our community. Without our community's support, this valuable program would not be successful.

Additional information about the program is available at [www.alamoheightstx.gov/public-safety/animal-care-services/](http://www.alamoheightstx.gov/public-safety/animal-care-services/), Facebook - AlamoHeightsAnimalCareServices, and Nextdoor.
