Celebrating 30 Years in AH

Our history is deeply rooted in Alamo Heights. We have celebrated this city since Phyllis Browning first opened the doors of Phyllis Browning Company 30 years ago in an office on Broadway (less than a mile away from our current office location).

Alamo Heights real estate typifies the elevated lifestyle we broker, because our business is about far more than a floor plan or property. It defines every part of our daily lives. Our agents do more than merely buy and sell homes for their clients. They are friends, confidants and mentors helping to shape lives, build communities and develop this gorgeous city we are proud to call home.

As we celebrate 30 wonderful years of serving this community, we look forward to many more years of supporting 78209.

If you know of a business or your business is celebrating a special anniversary of services in Alamo Heights, contact Marian Mendoza at 210-882-1508 or mmendoza@alamoheightstx.gov so the business can be highlighted in the Newsletter.

Bee Alert of Hives!

In recent weeks, the Public Works staff have identified several bee colonies located inside the residential water meter housing units. Most of the colonies have been docile but some have been aggressive and were considered a threat to public safety. If you see signage in the public right-of-way concerning “bees” please stay away from the area and allow time for the City to contact a professional Bee Keeper to relocate the colony.

Bees become aggressive when they feel that their hive is in danger. With summer months approaching and more yard work being done, the noise from lawn equipment tends to “set them off” and they feel that the noise is a danger to their hive. Be alert, hives can be located in many places other than just in trees, such as eaves and soffits of houses and also under ground.

Dockless e-scooters and e-bicycles Regulations

On February 25th Alamo Heights City Council approved an Ordinance regulating dockless e-scooter and e-bicycles that are offered to the public for a fee.

- All e-scooter and/or e-bicycle companies offering such services in the City of Alamo Heights must obtain a permit, pay required fees and provide proof of required insurance coverage.
- A total of only 75 e-scooters and/or e-bicycles are allowed to be permitted within the City at any given time.
- There are **designated parking areas** for e-bicycles and **prohibited parking areas** for e-scooters. They **cannot** impede pedestrian access.
- Requires that companies contact information is displayed on the dockless vehicles.
- The City will continue to monitor legislative regulations on e-scooters and/or e-bicycles and will incorporate them into City regulations.

To view the full Ordinance to go www.alamoheightstx.gov/government/city-codes-ordinances/.

For questions and clarifications concerning this regulation contact the Police Department at 210-822-3321.
