Reminder: Your water consumption during the winter months affects your residential sewer service fee for the next year. Residential sewer service fees are calculated based on the average water usage during three consecutive billing periods. This year your November, December, and January consumption will be used for your winter averaging. For more information or questions, please call Utility Billing staff at 210-882-1507.

IN THE RIGHT *light* DECORATE YOUR HOME SAFELY DURING THE HOLIDAYS:

According to the National Fire Protection Association, **860 home fires** caused by holiday decorations occur **each year**. An additional **210 home fires** are caused by Christmas trees per year. Follow these steps to ensure you decorate your home safely during the winter holidays.

Make sure all **extension cords** and **electrical decorations** are marked for **proper use**

Outdoor electric lights and decorations should be plugged into circuits protected by **ground fault circuit interrupters (GFCIs)**

Inspect all lights, decorations, and extension cords **for damage before using**

Exercise caution when decorating near power lines. Keep yourself and your equipment at least **10 feet** from power lines

Turn off all indoor and outdoor electrical decorations **before leaving home or going to sleep**

Avoid overloading electrical outlets with too many decorations or electrical devices. They can **overheat and cause a fire**

Never connect more than **three strings of incandescent lights** together

Water your Christmas tree daily

Keep all decorations at least **3 feet** away from **heating equipment or an open flame**

Purchase electrical decorations from reputable retailers and that are approved by a national recognized testing lab such as **UL** (Underwriters Laboratory), **Intertek (ETL)**, or Canadian Standards Association (**CSA**)
