GO ON-LINE FOR CITY CODES/ ORDINANCES

All cities are governed by their Code of Ordinances. An ordinance is a law passed by a municipal government. There are some ordinances that govern certain activities within the City that citizens might be unaware of because they are unique to our City. To view the City Codes of Ordinances go to: www.alamoheightstx.gov/government/city-codes-ordinances/

Smoke Alarms Save Lives!

Multi-storey

Single-storey

Install Smoke Alarms:

- On **every storey** of your home (including basements).
- Outside **all sleeping areas**.
- For added protection, install smoke alarms in **all bedrooms**.

Remember:

- Test all smoke alarms **every month**.
- Change the batteries at least **once a year**.
- Smoke alarms don't last forever. Replace them after **10 years**, according to manufacturer's instructions.

For more information contact your **local fire department**.

The Alamo Heights Fire Department continues to promote the benefits of the free home safety inspection. Firefighters will complete a detailed checklist at your home to identify potential hazards and make recommendations to mitigate the hazards. Checking the lint trap and lint duct of your clothes dryer is just one of the fire safety issues the firefighters can address, using a special camera. The colder weather offers additional issues that can pose hazards to you and your family. Colder weather also poses increased risks with heating systems and the use of portable space heaters. Please download the attached safety flyers in our "Community Education" section for important information at <https://www.alamoheightsfire.com/page/community-education>. Please email Michael at mgdovin@alamoheightstx.gov to schedule your home safety inspection.
