What is the Census? The 2020 Census counts every person living in the 50 states, District of Columbia, and five U.S. territories.

Census 2020 is mandated by the Constitution and conducted by the U.S. Census Bureau, a nonpartisan government agency.

The census provides critical data that lawmakers, business owners, teachers, and many others use to provide daily services, products, and support for you and your community.

Every year, billions of dollars in federal funding go to hospitals, fire departments, schools, roads, and other resources based on census data.

It is Census 2020 Awareness period as the official count begins April 1, 2020.

BRIEFS

SEWER AVERAGE

Reminder: the new 2020/2021 Winter Average Sewer Rate will be in effect and reflected on your April bill.

Winter Averaging monitors the amount of water you use during three complete billing cycles. The City uses the months of Nov., Dec., and Jan. consumption.

Questions about your sewer charge should be directed to Amanda Borrego, Utility Billing coordinator at 210-882-1507 or aborrego@alamoheightstx.gov.

The Alamo Heights Fire Department encourages all residents to be active in home fire safety. Remember to change the battery in your smoke detectors every time you “spring forward and fall back” with daylight savings time changes. If you need new smoke detectors, need to replace old smoke detectors, or replace batteries please reach out to us for assistance at <https://alamoheightsfire.com/>. Click the “[Click Here to Contact Us](#)” link to request help and read more about home fire safety.

- Three out of five home fire deaths result from fires in properties without working smoke alarms.
- More than 1/3 (38%) of home fire deaths result from fires in which no smoke alarms are present.
- The risk of dying in a home fire is cut in half in homes with working smoke alarms.
