## BRIEFS

### SEWER AVERAGE

Reminder: the new 2021/2022 Winter Average Sewer Rate will be in effect and reflected on your April bill.

Winter Averaging monitors the amount of water you use during three complete billing cycles. The City uses the months of Nov., Dec., and Jan. consumption.

Questions about your sewer charge should be directed to Melissa Gomez, Utility Billing coordinator at 210-882-1507 or [mgomez@alamoheightstx.gov](mailto:mgomez@alamoheightstx.gov).

## Change your clocks and change your batteries!

Daylight Savings is March 13<sup>th</sup>, so please remind family and friends to change their smoke alarm and carbon monoxide detector batteries. Did you know:

- The peak time for home fire fatalities is between 11 p.m. and 7 a.m. when most families are sleeping.
- Smoke alarm maintenance is a simple, effective way to reduce home fire deaths.
- Children and senior citizens are most at risk, and a working smoke alarm can give them the extra seconds they need to get out safely.
- Home fires kill 500 children ages 14 and under each year.
- Seventy five percent of child fire fatalities under age 15 occurred in homes without working smoke alarms.

Seniors — Adults 75 and older are 2.8 times more likely to die in a home fire.

Spring forward on your clocks, and remember to change the batteries in your smoke detectors! Make sure you dispose of the old batteries safely, covering the terminal ends with electrical tape. It's a good time to schedule the free Home Safety Inspection too! The firefighters can address hazards found in your home and offer solutions to help prevent an accident, injury, or fire! You can schedule your inspection by calling Michael @ 210-832-2206, or email [mgdovin@alamoheightstx.gov](mailto:mgdovin@alamoheightstx.gov).

**Only working  
smoke alarms  
save lives...**

Protect your  
family, change  
your smoke alarm battery.
