Stage 2 Water Restrictions

Stage 2 of the City's drought plan is triggered when the 10-day average of the Edwards Aquifer at the J-17 well drops below 650 feet and remains in effect until the level of the index Well remains above the 650 feet for a ten-day rolling average.

Under Stage 2, outdoor watering with a sprinkler or irrigation system is allowed only between the hours of 7 a.m. to 11 a.m., and 7 p.m. to 11 p.m., once a week, as determined by the last number of your street address.

<i>Last number of your Address</i>	<i>Watering Day</i>

Purple Martins, Bringing this Beneficial Insect Eater to our Neighborhood

Have you taken a walk by the Nature Trails or ball fields lately? If so, then you've probably noticed the two white and blue Purple Martin houses. The Purple Martins are here and busy claiming nesting compartments, attracting females and constantly chattering. South Texas Songbirds proudly manages these houses and keeps a constant vigil over the health and well-being of the birds when they are here. In the off-season we make necessary repairs, clean and get houses ready for their return.

International Firefighters' Day May 4th

"The role of a firefighter in today's society – be it urban, rural, natural environment, volunteer, career, industrial, defense force, aviation, motor sport or other, is one of dedication, commitment and sacrifice – no matter what country we reside and work in. In the fire service we fight together against one common enemy – fire – no matter what country we come from, what uniform we wear or what language we speak."

IFFD Founder, Lt. JJ Edmondson 1999

Firefighters dedicate their lives to the protection of life and property. Sometimes that dedication is in the form of countless hours volunteered over many years, in others it is many selfless years working in the industry. In all cases it risks the ultimate sacrifice of a firefighter's life.

International Firefighters' Day (IFFD) is a time where the world's community can recognise and honour the sacrifices that firefighters make to ensure that their communities and environment are as safe as possible. It is also a day in which current and past firefighters can be thanked for their contributions.

THANK YOU to all who serve to protect lives and communities.

Peace Officer Memorial Week

Virtual Events: May 9-15, 2021

In-Person Events: Oct. 13-17, 2021

National Police Week in-person events will be held October 13-17 in Washington, DC. The rescheduling of these events is due to the inability to secure necessary permits in time for in-person gatherings, as a result of the ongoing COVID-19 restrictions. The in-person National Police Weekend in October will offer the same honor, remembrance, and peer support as National Police Week, while allowing law enforcement, survivors, and citizens to gather and pay homage to those who gave their lives in the line of duty.

The planned schedule of events includes:

- Thursday, October 14 – NLEOMF Candlelight Vigil
- Friday, October 15 – C.O.P.S. National Police Survivors' Conference
- Saturday, October 16 – FOP 40th Annual National Peace Officers Memorial Service

In addition to the in-person events in October, our virtual programs and some Memorial and Officer Safety & Wellness programs will still be held during Police Week in May, including the virtual Candlelight Vigil on May 13th.
