Olmos Basin Clean-up

You may have noticed in the past few weeks there has been recent clean up efforts in the Olmos Basin Area off of Jones Maltsberger and Basse Road. This is a collaboration project between the City of Alamo Heights (COAH) and the City of San Antonio (COSA) to remove trash/brush/debris in the Olmos Creek area.

Several invasive species have been removed and the tree canopy raised to 6.5'. The work at the site has been extensive with some drifts of trash exceeding 3' in height and the recent rains have caused more debris to collect along the creek area.

Even though this area looks like a nature trail and a great place to explore it is not all public property.

For more information on this project or questions contact Pat Sullivan at psullivan@alamoheightstx.gov or 210-882-1506.

Voter Centers in Bexar County

During the November election, voters can vote at any Bexar County designated polling site.

Voter Center Model—with the Voter Center Model, the voter can vote at any Bexar County Election Day designated polling sites just as similar to Early Voting. Early Voting allows a voter to vote anywhere Bexar County has designated as their polling sites during Early Voting period. On Election Day, voters can vote at **any** polling site (voter center) within Bexar County. The Voter Center Model has been adopted to decrease the number of provisional ballots and provide additional convenience.

The City of Alamo Heights does not have any city-related items on the November 2nd General, Special, Bond Election ballot; however, City Hall will be a Voter Center (polling site) on Tuesday, November 2nd as an Election Day polling site from 7 a.m.—7 p.m.

BRIEFS

Daylight Savings Time

Sunday, November 7th is the time to “fall back” and also give your smoke detectors a fresh start.

Remember to change your clock time and also to change the batteries in your smoke detectors.

Smoke detectors are only as effective as the batteries that keep them “looking” for smoke.

National Take Back Day

AHPD officers will receive potentially dangerous, expired, unused, and unwanted prescription drugs, no questions asked.

Anyone wishing to drop off unwanted prescription drugs may bring them to the driveway at the east entrance to City Hall where an AHPD officer will receive them.

When: Saturday, October 23rd

Time: 10 a.m. to 2 p.m..

Where: AH City Hall

6116 Broadway

Tuesday, October 19
Architectural Review Board
5:30 p.m.

Monday, October 25
City Council Meeting
5:30 p.m.

Our pets are always there for us when we need them. If you want to return the favor, get your pet chipped at our microchip clinic @ **AH City Hall Saturday October 23rd from 10 am — 2 pm.** A microchip is the only permanent form of identification for pets and will greatly increase the probability of them being reunited with you should they ever go missing. A microchip guarantees you will be there for your pet even if they get lost because you will have given them a voice when they need it most.

Pet's already chipped? We want to see you at our clinic too! Did you know more than 50% of microchipped pets that we impound do not have accurate and/or current registration? That fact breaks my heart because microchips are USELESS without proper registration. Let us give you peace of mind by checking your pets microchip and registration status at our clinic in just a few minutes without you even having to get out of your car.

We hope to see you and your pets at the clinic. We will have a gift for each pet that stops by from our neighbors at Pet Supplies Plus.

Microchip implantation and lifetime registration—\$20 suggested donation, cash or check.

Winter Averaging for Sewer Fees

Reminder: your water consumption during the winter months affects your residential sewer service fee for the next year. Residential sewer service fees are calculated based on the average water usage during three consecutive billing periods. This year your November, December and January consumption will be used for your winter averaging.

For more information or questions, please call Utility Billing staff at 882-1507.
