Voter Centers in Bexar County

During the November election, voters can vote at any Bexar County designated polling site.

Voter Center Model—with the Voter Center Model, the voter can vote at any Bexar County Election Day designated polling sites just as similar to Early Voting. Early Voting allows a voter to vote anywhere Bexar County has designated as their polling sites during Early Voting period. On Election Day, voters can vote at **any** polling site (voter center) within Bexar County. The Voter Center Model has been adopted to decrease the number of provisional ballots and provide additional convenience.

The City of Alamo Heights does not have any city-related items on the November 8th Joint Constitutional Amendments, general, Special, Charter, and Bond Election ballot; however, City Hall will be a Voter Center (polling site) on Tuesday, November 7th, Election Day from 7 a.m.—7 p.m.

Winter Averaging for Sewer Fees

Reminder: your water consumption during the winter months affects your residential sewer service fee for the next year. Residential sewer service fees are calculated based on the average water usage during three consecutive billing periods. This year your November, December, and January consumption will be used for your winter averaging.

For more information or questions, please call Utility Billing staff at 882-1507.

HALLOWEEN FIRE SAFETY TIPS

Make Halloween safe for your little monsters with a few easy safety tips...

- Use a battery-operated candle or glow-stick in jack-o-lanterns.
- When choosing costumes, stay away from long trailing fabric.
- Teach children to stay away from open flames including jack-o-lanterns with candles in them.
- Dried flowers, cornstalks and crepe paper catch fire easily. Keep all decorations away from open flames and other heat sources like lightbulbs and heaters.
- Remember to keep exits clear of decorations so nothing blocks escape routes. Make sure all smoke alarms in the home are working.
