Access Your Utility Data at Customers' Online Portal

With the installation of Advanced Meter Infrastructure (AMI) water meters, Alamo Heights utility account owners will be able to interact, monitor and make payment on their account via the same municipal online portal residents and businesses already use.

The AMI water meters take meter reads and update water usage at the city's daily scheduled intervals. Utility customers will be able to set up proactive alerts for potential leaks, over-usage and more. You are able to make informed decisions about water usage and conservation.

Once your water meter has been replaced with an AMI water meter and you already have an online account, you will be able to access the additional tabs. If you do not have an online account, create an account at <https://alamoheightstx.municipalonlinepayments.com/alamoheightstx/utilities> to view information about your water account.

If you have any questions about the new water meters, email public-works@alamoheightstx.gov.

BRIEFS

Daylight Savings Time

Sunday, November 1st is the time to "fall back" and also give your smoke detectors a fresh start.

Remember to change your clock time and also to change the batteries in your smoke detectors.

Smoke detectors are only as effective as the batteries that keep them "looking" for smoke.

National Take Back Day

AHPD officers will accept expired, unused, and unwanted prescription drugs, no questions asked.

Capped syringes, epi-pens, or other injectable devices will be accepted.

When: Saturday, October 24th

Time: 10 a.m. to 2 p.m..

Where: Alamo Heights City Hall

6116 Broadway

East (rear) entrance

Tuesday, October 20
Architectural Review Board
5:30 p.m.

Monday, October 26
City Council Meeting
5:30 p.m.

Voter Centers in Bexar County

During the November election, voters can vote at any Bexar County designated polling site.

Voter Center Model—with the Voter Center Model, the voter can vote at any Bexar County Election Day designated polling sites just as similar to Early Voting. Early Voting allows a voter to vote anywhere Bexar County has designated as their polling sites during Early Voting period. On Election Day, voters can vote at **any** polling site (voter center) within Bexar County. The Voter Center Model has been adopted to decrease the number of provisional ballots and provide additional convenience.

The City of Alamo Heights does not have any city-related items on the November 3rd Joint General, Special, and Bond Election ballot; however, City Hall will be a Voter Center (polling site) on Tuesday, November 3rd, Election Day from 7 a.m.—7 p.m.

HALLOWEEN SAFETY TIPS

CUTE AS A BUTTON...BUT BEWARE!
Each year nearly 3,500 people of all ages in the United States unintentionally swallow button batteries, also known as watch or coin batteries, used to power many electronics including toys, decorations and remote controls.

56,667 PEOPLE, including children, were hospitalized for battery ingestion related injuries between 1993 and 2013. All battery related fatalities reported involved button batteries.

COSTUMES THAT GIVE A SCARE...
Halloween is thrilling for kids and they are often distracted and excited while participating in the festivities. However, some decorations, such as candles, can be potentially dangerous. Be sure to choose decorations, costumes, and accessories that are made with flame-resistant, flame-retardant or non-combustible materials.

A HAUNTED HOUSE
Before you decorate, inspect each electrical item and discard any with damaged wires. If you're using electrical products outside, make sure they are marked "for outdoor use." Keep electric cords out of high-traffic areas, where they can be a tripping hazard to trick-or-treaters. And be sure to plug all outdoor decorations into circuits protected by Ground Fault Circuit Interrupters (GFCIs) to prevent electric shock.
