Voter Centers in Bexar County

During the November election, voters can vote at any Bexar County designated polling site.

Voter Center Model—with the Voter Center Model, the voter can vote at any Bexar County Election Day designated polling sites just as similar to Early Voting. Early Voting allows a voter to vote anywhere Bexar County has designated as their polling sites during Early Voting period. On Election Day, voters can vote at **any** polling site (voter center) within Bexar County. The Voter Center Model has been adopted to decrease the number of provisional ballots and provide additional convenience.

The City of Alamo Heights does not have any city-related items on the November 8th Joint General, Special, Charter and Bond Election ballot; however, City Hall will be a Voter Center (polling site) on Tuesday, November 8th, Election Day from 7 a.m.—7 p.m.

Residential sewer service fees are calculated based on the average water usage during three consecutive billing periods. This year your November, December, and January consumption will be used for your winter averaging.
