School Zone Safety

The Alamo Heights Police Department urges all motorists to use caution and be more alert while driving on streets around the school campuses and anywhere children may be walking or riding their bicycles to school. Students are easily distracted this time of year and may inadvertently get too far away from the curb or cross the street without looking both ways.

Remember that the speed limit in ALL school zones is 20 m.p.h.

Streets around school campuses can become heavily congested before and after school. If traveling through or near a school zone, please plan accordingly and expect delays.

According to Texas law, drivers have to stop when a school bus extends its stop sign or when it turns on its flashing red lights. Examples of when you must stop are:

Alamo Heights Animal Care Services

On September 20th, the Alamo Heights Animal Care Services is participating in **The Big Give**, a county wide day of giving meant to celebrate all the good being done in our communities. You will have 24 hours to give to causes closest to your heart. To support our campaign and ensure that missing pets and stray animals are kept safe in Alamo Heights, please go to: <https://www.thebiggivesa.org/organizations/alamo-heights-animal-care-services>

Alamo Heights Animal Care Services rescues around 300 animals each year and the generous support of our animal loving community makes saving these lives possible.
